

Position: Warehouse Worker (Full-time)

Date Posted: January 2019

Location: Holland, Michigan

Duties & Responsibilities:

This candidate's primary responsibility will be maintaining internal and external customer focus by pulling orders in our warehouse using our electronic scanner system. This position requires that you pay attention to detail, and take pride in performing your work assignments correctly. Cross training will be expected, so this person must exhibit flexibility and adaptability, as well as enjoy the varied work assignments.

Requirements:

- High School Graduate
- Able to work within a team
- Computer skills required
- Able to perform frequent and heavy lifting tasks
- Familiarity with electronic scanning preferred but not required
- Experience in operating forklift
- Interest in learning other areas of the department
- Maintain internal and external customer focus
- Display attention to detail and a focus on quality
- Exhibit flexibility and adaptability
- Enjoy varied work assignments
- Take pride in doing things right
- Be self-motivated
- Frequent and possibly heavy lifting tasks
- CDL License a plus but not necessary
